Agenda

# Global Cyber Security Innovation Summit

NOV 15<sup>th</sup> - 19<sup>th</sup>

# Day 1 - Data Security & Privacy

Nov 15<sup>th</sup> - CET (EST)

14:00 *Welcome* & Introduction EMEA - APAC Track.

14:05 *Executive Roundtable* - The Importance of Protecting Customers' Data and Privacy.

15:15 *Keynote 1* - Ushering in the Era of Confidential Computing - Fortanix.

18:00 (12:00 EST) *Welcome* & Introduction NA - LATAM Track.

18:10 (12:10 pm EST) *Keynote 2* - Confidential Computing – A New Paradigm in Data Security for the Multi Cloud Era - Fortanix.

19:00 (1 pm EST) *Executive Roundtable* - Ransomware and Data Breaches. Threats and Challenges Ahead.

20:00 (2:00 pm EST) *Coffee Break* - Go to Socializing Zone.

20:15 (2:15 pm EST) *Keynote 3* - Cybersecurity Maturity Model Certification (CMMC) – History and Prophecy.

# Day 2 - Web & App Security

Nov 16<sup>th</sup> - CET (EST)

10:00 *Welcome* & Introduction EMEA - APAC Track.

10:10 *Keynote 1* - Cloud Native Web Application & API Protection (WAAP) - Reblaze.

11:00 *Executive Roundtable* - Key Considerations for Building an Application Development Security Mindset.

18:00 (12:00 EST) *Welcome* & Introduction NA - LATAM Track.

18:10 (12:10 pm EST) *Keynote 2* - Malware manipulated in Cloud Environments, is it Dangerous? - senhasegura.

19:00 (1 pm EST) *Executive Roundtable* - Web Applications and APIs. Best Practices to Reduce the Attack Surface.

20:00 (2:00 pm EST) *Coffee Break* - Go to Socializing Zone.

20:15 (2:15 pm EST) *Keynote 3* - The Hidden Risks on Your Website You Cannot Ignore - Reflectiz

# Day 3 - Industrial Cyber Security

Nov 17<sup>th</sup> - CET

10:00 *Welcome* & Introduction EMEA - APAC Track.

10:10 *Keynote 1* - Rubik cube, Medicine & Electricity – The IoT connection - Israel Electric.

11:00 *Executive Roundtable* - Critical Infrastructure Supply Chain: How Can this Massive Operational and Cyber Security Challenge be Addressed?

12:00 *Lunch Break* - Go to Socializing Zone.

12:30 *Keynote 2* - Boosting cyber-physical security capability through CYBER RANGES OT Worlds - CYBER RANGES.

13:20 *Keynote 3* - Integration of Big Data Analytics with Internet of Things (IoT) and Industrial Automation and Control Systems (IACS) – Cybersecurity Aspects.

13:55 *Keynote 4* - Cyber Security Industry helping Industrial/IIoT Cyber Security - The WHYs and HOWs - Binaré.

# Day 3 - Industrial Cyber Security

Nov 17<sup>th</sup> - CET (EST)

18:00 (12:00 EST) *Welcome* & Introduction NA - LATAM Track.

18:10 (12:10 pm EST) *Keynote 5* - Defending in Today's World : Do you have the right security? - Milton Security.

19:00 (1 pm EST) *Executive Roundtable* - Ransomware Attacks on Critical Infrastructures. Are They Stopping Any Time Soon?

20:00 (2:00 pm EST) *Coffee Break* - Go to Socializing Zone.

20:15 (2:15 pm EST) *Keynote 6* - Challenges in Enforcing Hardware Security for IIoT and IoMT - Sepio Systems

# Day 4 - Transportation Cybersec.

Nov 18<sup>th</sup> - CET (EST)

10:00 *Welcome* & Introduction EMEA - APAC Track.

10:10 *Keynote 1* - Cyber Security for Smart Mobility - A Global Necessity - IAI - ELTA.

11:00 *Executive Roundtable* - Are We Doing Enough to Secure our Critical Transportation Infrastructures?

12:05 *Keynote 2* - Next-gen Transportation vs. Next-gen Cyber Threats: "Near-miss" or "Collision/Crash avoidance"? - Binaré.

12:35 *Lunch Break* - Go to Socializing Zone.

13:00 *Keynote 3* - Transportation of Hazardous materials and Cyber Regulation

# Day 5 - Cyber Threat Intelligence

Nov 19<sup>th</sup> - CET (EST)

*10:00 Welcome* & Introduction EMEA - APAC Track.

*10:10 Keynote 1* - Cyber Resilience as a Master Key of Cyber Security- IAI - ELTA.

*11:00 Keynote 2* - Boosting cyber capability for strong resilience through TOAR - Training Orchestration Automation Response - CYBER RANGES.

*11:50 Lunch Break* - Go to Socializing Zone.

*12:30 Executive Roundtable* - Leveraging Cyber Threat Intelligence to Reduce Cyber Risk.

*15:15 Keynote 3* - New US Cyber Regulation and its impact on European companies, Governments and trade. How should the EU adapt?

# Day 5 - Cyber Threat Intelligence

Nov 19<sup>th</sup> - CET (EST)

18:00 (12:00 EST) *Welcome* & Introduction NA - LATAM Track.

18:10 (12:10 pm EST) *Keynote 4* - Malware Hunting - Using python as an attack weapon - senhasegura.

19:00 (1 pm EST) *Executive Roundtable* - Cyber Threat Intelligence Platforms - State-of-the-Art

20:00 (2:00 pm EST) *Coffee Break* - Go to Socializing Zone.

20:15 (2:15 pm EST) *Keynote 5* - Challenges in Harnessing OSINT for Hardware Security - Sepio Systems

21:05 (3:05 pm EST) *Keynote 6* - National Level Cybersecurity - The Next Era - IAI - ELTA

21:55 (3:55 pm EST) *Keynote 7* - TBD - Resecurity
